

24<sup>th</sup> November 2011

Dear Parent / Carer,

As you will be aware from the media and my previous letter on 4<sup>th</sup> November the combined trade unions will be taking industrial action on 30<sup>th</sup> November 2011.

The action (a one day strike) will result in class or whole school closures across the country.

The decision to close the school or send pupils home is never taken lightly, but in this instance, where staff have elected to take lawful industrial action, I will have no choice but to take appropriate steps to ensure the health, safety and wellbeing of all pupils.

We are aware that class / school closures inconvenience parents and carers and so I am writing to notify you that:

**Christ The King R.C.P.S. will be closed on 30<sup>th</sup> November, this includes the nursery.**

Thankyou for patience and understanding.

Yours sincerely,

R. M. Eckersley
