We are **much more** than a breakfast/after school club!

As well as providing children with a healthy breakfast to start their day, or a snack after school, in a safe, happy and comfortable place for them to relax and enjoy chatting with their friends, we also provide the following activities:

- ★ Choice of free play and games
- ★ 'Morning Move It' in the School Hall
- ★ Adult-led activities, inspired by the children's suggestions
- ★ Help with homework
- ★ Encouragement for our children to make their own breakfast/snacks and tidy away afterwards
- ★ Access to iPads and computers

### A little bit about the King's Kids Team:

My three staff are dedicated, passionate, and inspirational; they work hard setting up the breakfast, making toast, encouraging independence, helping with homeworks, carrying out an activity with a group, encouraging good play, kind hands etc... all whilst being mindful of the children's emotional needs.

They are fabulous with the children being very calm, firm when needed but always in a positive manner.

They make the Club feel welcoming and a happy place.

My staff nurture our children very well and it is these harmonious relationships that have made the Club what it is. We are here to support parents too as they leave for work. We have so many wonderful children that come to us each day, always looking after each other.

*We are a unique family.*

My favourite thing about King's Kids is that I get to make loads of new friend and have lots of fun!

Lucie, Year 6

I love playing and playing outside at King's Kids

Sebastian, Year 5

I love eating ice cream at King's Kids and I love playing with my friends

Callum, Year 3

What the King's Kids say:

I love King's Kids because the teachers are nice. I like to play on the iPads and playing with lots of friends

Nancy, Year 3

I love doing arts and crafts at King's Kids

Oliver, Year 5

I love being at King's Kids because I love being with my friends and teachers. I like to build in the Loose Parts Lab!
