

King's Kids

Breakfast and After School Club

We thank you for your continued patience regarding the opening of King's Kids Breakfast and After School Club. We have been looking into opening the club in the safest way possible whilst following government guidelines.

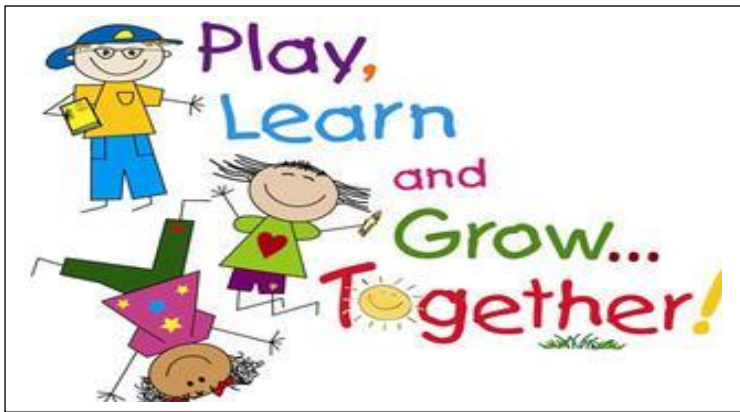

We are pleased to tell you that club will be starting on

Monday 5th October.

Please book and pay on Parent Pay to secure your place. You need to book a week in advance and can book up to a term in advance.

Please note: After School Club will now close promptly at 5.30pm. This is the latest time you can pick up your child.

We look forward to opening our doors once again. If you are new to King's Kids or have any questions or concerns please email me (Mrs Horrocks) on christtheking.kids@salford.gov.uk
