

Dear Parents/Carers,

This year we are taking part in a well-being programme called 'Achievement for all'. The programme is designed to develop understanding of mental health and well-being and the impact that this can have on children's learning. As part of the programme we would really like to involve parents. We feel that this will greatly improve the impact and longevity of the work involved.

With this in mind, we would love to get as many parents/carers involved as possible, starting with 1 representative from each year group, with the view to filtering this down to other parents until we have a network of enthusiastic well-being warriors 😊

If you would like to become a class advocate, we will be holding a coffee morning next Wednesday, 6th October at 9.30 to discuss all the details and what is involved. Our Achievement Coach, Cole Andrew, will be there to go through what is involved, how you can help your child and in turn, the wider school community.

If you have any questions about getting involved, please feel free to email me clare.aldis@salford.gov.uk

To become a class advocate, please fill in the reply slip below.

Many thanks, your support & commitment to this will be truly invaluable.
