Dear Parent/Carer

Re: Changes to Data Protection Law

You may be aware that from May, the rules around data protection are changing. The 'General Data Protection Regulation' (GDPR) will change how we can use your personal data and keep it safe, and will also strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our Privacy Notice. Please find it enclosed.

As part of our work to comply with the GDPR, we are also re-seeking consent for using photographs/videos of your child within different aspects of the school. We have enclosed a form with this letter and would appreciate it if you filled this out and returned it to the school office by 25 May 2018.

If you have any questions about how the GDPR affects you, or how our school is preparing, you can contact the Data Protection Officer, Diane Brown by sending an email to d.brown@datasmartdps.com.

Yours faithfully,

Mrs. N. Potts
Headteacher

Please complete and return this slip to school by 25 May 2018. Thank you
