Dear Parent/ Carer

ICT including the internet, e-mail and mobile technologies, etc has become an important part of learning in our school. We expect all children to be safe and responsible when using any ICT.

Our E-Safety Policy is in place to keep the whole school community safe and effective in its ICT practises. It is important to note that school deems any use of IT (including social media) which brings the reputation of the school and/or catholic community into disrepute and criticism of actions stemming from the fact of its catholic nature will be taken as serious breaches. Appropriate actions will be taken and we recommend that you use the school's complaint procedure.

Please read and discuss these E-Safety rules with your child and return the slip at the bottom of this page. If you have any concerns or would like some explanation please contact Mrs Potts (E-Safety Co-ordinator) or Mr Nolan (ICT Co-ordinator).
