Dear Parents/ Carers,

Diocesan Joint School Building Fund 2018-2019

We would like to take this opportunity to thank all of the parents who have contributed towards the Diocesan Joint School Building Fund. The money received really helps school and we appreciate all of your support.

If you would still like to contribute towards the fund, the payment item will remain open until the end of July.

May I take this opportunity to extend my personal thanks, and that of our Governing Body, for your support in making this valuable contribution to our school building fund.

Yours sincerely,

Mrs N. Potts
