

Dear Parents/Carers

Within our Early Years Foundation Stage at Christ the King we regularly use photographs of the children to record evidence of progress and achievements, this may also be the case in some instances with older pupils. Photographs will be placed in the pupil's learning journals/workbooks and will be taken home at the end of the academic year. This is a necessary function of our school to evidence pupil attainment.

Occasionally, we may take photographs/video of the children at school whilst they take part in fun or interesting activities. We use these images to enhance school displays, use on our school website, on our Twitter account @ctkrcps and sometimes forward images to the local press.

To comply with data protection laws, we need parental consent before we can photograph or make any recording of our children for display purposes. Please bear in mind that we rely on social media and digital forms of communication to keep parents and carers informed. We will always use any images responsibly.

We would like your consent to take photos of your child and use them in the ways described above. If you're not happy for us to do this, that's no problem – we will accommodate your preferences.

Please tick the relevant box(es) below and return this form to school.

- I am happy for the school to take photographs of my child.
- I am happy for photos of my child to be used on the school website.
- I am happy for photos of my child to be used in the school newsletter.
- I am happy for photos of my child to be used in the school prospectus.
- I am happy for photos of my child to be used in internal displays.
- I am happy for photos of my child to be used on the school Twitter account
- I am **NOT** happy for the school to take or use photos of my child.

If you change your mind at any time, you can let us know by emailing christtheking.rcprimaryschool@salford.gov.uk, calling the school on 01619211603, or just popping in to the school office.

If you have any other questions, please get in touch.

Why are we asking for your consent again?

You may be aware that there are new data protection rules coming in from May. To ensure we are meeting the new requirements, we need to re-seek your consent to take and use photos of your child. We really value using photos of pupils, to be able to showcase what pupils do in school and show what life at our school is like to others, so we would appreciate you taking the time to give consent again.
