Dear Parents/Carers

It was great to see school buzzing again. However, I am sure you will agree we can't, as a school, follow the current advice regarding one drop off and pick up. As a school, we only have one entry and exit point, school was very busy this morning and, in my opinion, not safe from a COVID point of view and a general health and safety point of view. Plus parking, I believe, was a challenge too! Thanks for trying!

Please can we go with the following for the time being:

Drop off

Surnames A-F 8.35am G-O 8.45am P-Z 8.55am

Pick up

Surnames A-F 3.15pm G-O 3.20pm P-Z 3.25pm

Junior children go to the main playground where they will be met and brought in by a member of staff.

Infant children go to their class doors and a member of staff will welcome the children in. It would be ideal if just one parent/carer could drop off and pick up. Please just drop and go!!

Other schools have lots of entry and exit points so the current guidance may work for them. We cannot follow this at this point in time. I know it was the first day back and thanks to everyone for their efforts. Let's see how we go.

Thanks again for your continued support and patience.

Yours sincerely
