## Christ the King RC Primary School

## **Safeguarding pupils who are vulnerable to extremism and radicalisation**

Christ the King RC Primary School is committed to actively promoting the fundamental British values of democracy, the rule of law, individual liberty and mutual respect and tolerance of those with different faiths and beliefs; the pupils are encouraged to develop and demonstrate skills and attitudes that will allow them to participate fully in and contribute positively to life in modern Britain.

There is a current threat from terrorism in the UK and this can include the exploitation of vulnerable young people, aiming to involve them in terrorism or to be active in supporting terrorism. Staff at Christ the King school seeks to protect children and young people against the messages of all violent extremism including, but not restricted to, those linked to Islam ideology, Far Right/Neo Nazi/White Supremacist ideology etc. Concerns should be referred to the Designated Safeguarding Lead Mrs Potts, who has local contact details for 'Prevent and Channel' referrals. She will also consider whether circumstances require the police to be contacted.
