- School Teachers' Pay and Conditions Document 2013 and Guidance on School Teachers' Pay and Conditions (DfE)

We have a major duty to ensure safe recruitment of school personnel and volunteer helpers to this school as we are committed to safeguarding and promoting the welfare of all children. By creating a culture of safe recruitment that involves undertaking criminal record checks (DBS checks), barred list checks and prohibition checks plus obtaining references and other interview information for all prospective employees, we believe that this will help prevent, reject or identify those people who might abuse children.

We realise that the majority of school appointments is for personnel who will be responsible for the care and supervision of children on a regular basis known as regulated activity and as part of the process of safe recruitment all prospective employees will need to have an enhanced DBS check with barred list information.

Under no circumstances will we allow any individual to carry out any form of regulated activity if it comes to our attention that they have been barred.

Also, we are aware that we have 'a legal duty to refer to the DBS anyone who has harmed, or poses a risk of harm, to a child, or if there is reason to believe the member of staff has committed one of a number of listed offences, and who has been removed from working (paid or unpaid) in regulated activity, or would have been removed had they not left.' (Keeping Children Safe in Education: Statutory Guidance for Schools and Colleges (DfE))

We have a duty to ensure that all volunteers in regulated activity must have an enhanced DBS certificate with barred list check. We will not allow any volunteer to work unsupervised with children or work in regulated activity without the necessary checks.

We wish to appoint the most suitable person for each vacant position regardless of age or perceived age, marital status, sex, racial or ethnic background, religion or belief, sexual orientation or disability. Also, we will take no account of an applicant's membership or non membership of a trade union.

We intend to deter prospective applicants and to identify and reject applicants who are unsuitable to work with children. Existing employees, employees on fixed or temporary contracts will be invited to apply.

We believe our recruitment and selection process is systematic, efficient, effective and equal.

We wish to work closely with the School Council and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

We as a school community have a commitment to promote equality. Therefore, an equality impact assessment has been undertaken and we believe this policy is in line with the Equality Act 2010.

We believe it is essential that this policy clearly identifies and outlines the roles and responsibilities of all those involved in the procedures and arrangements that is connected with this policy.
