We are unique individuals and our talents and gifts are nurtured in a caring family environment. God loves us and through His love, we help each other to make a difference in the world we live in.

Together we wonder.

Together we believe.

Together we shine.

Together we achieve.

PE and Sport Premium was introduced in March 2013 to improve the provision of Physical Education and school sport in primary schools across England. The Government committed to this funding until 2021 and this has now been extended to 2023 on a yearly review basis.

Christ the King RC Primary School is committed to providing a high quality, broad and balanced curriculum.

Sports Premium funding seeks to support provision of Physical Education and Sport to enable wider curricular opportunities, therefore our funding is used to improve mental wellbeing, attainment and progress of pupils.

Sports Premium allows us to strengthen the quality of our PE Lessons and widen the opportunities available to children in lessons and during playtime. The additional and sustainable improvements to our provision help benefit all our pupils to encourage them to develop healthy and active lifestyles.

We monitor the efficiency and effectiveness of Sports Premium on a regular basis through assessments, attendance reports for our extra-curricular clubs and the Children's University. These facilitate a cohesive measure for both uptake of clubs, experiences and fitness levels.

Our key objectives are:

- The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles.
- The profile of PE and sport being raised across the school as a tool for whole school improvement.
- Increased confidence, knowledge and skills of all staff in teaching PE and Sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.

We pride ourselves on the sports and PE provision we offer our children at Christ the King. For 2022 / 2023 we gained the Gold Award for the School Games Mark, this recognises our commitment to the development of competition at our school.

For 2023 / 2024 we are working towards achieving the Sportsmark Platinum Award following 5 years consecutively achieving Gold award.

Our sporting achievements is something to be very proud of and this is constantly updated on our twitter feed.
